Winning Artist *Megen Mims*

2006 was the year of the Inaugural Poster Art Competition held by the Atlanta St. Patrick's Day foundation and SCAD Atlanta. The competition was judged by professionals from Atlanta ad agencies, PR firms, Design firms and SCAD art instructors. There were approximately 40 entries and the judging was close.

Winning artist Megen Mims has received a \$1,000 Scholarship from the Foundation. The winning artwork has been adapted for use as a Program Book Cover, a small Commercial Poster, T-shirts and the 2006 Collector Poster.

Megen has signed and numbered a limited quantity of the large Collector Poster. A few of these are for sale as are the unsigned posters. These signed posters are also being presented to the sponsors who made all of the events possible.

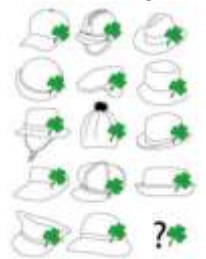

The tradition of a Collector Poster will become an ongoing part of the Atlanta St. Patrick's festivities.
